Philanos - March Webinar: Investing in Leadership Wellbeing

09:00 AM - 10:00 AM PST

Many nonprofit leaders work tirelessly to serve others often leaving little time for personal renewal. In 2022, Washing Women's Foundation (WaWF) introduced Rest & Repair Awards in recognition and support of Black women leaders working in Washington State's nonprofit sector. WaWF's President & CEO, Maria Kolby-Wolfe, will discuss its approach to investing in the care of leaders making significant contributions to their communities.

Speaker:

*Maria Koly-Wolfe
