REGISTER HERE: <https://projectbefree.maxgiving.events/about-us>

A night dedicated to raising unrestricted funds that directly empower those navigating the complex journey of healing and safety. This October, as the leaves turn and the air begins to shift, join us for an inspiring evening of purpose, unity, and impact as we gather to support survivors of domestic violence, the families who stand beside them and the dedicated team behind the work.

The Art of Transformation honors the courageous journey survivors take—from silence to strength, from fear to freedom. Set against the vibrant backdrop of Autumn, this evening celebrates personal growth and renewal through powerful storytelling, community connection, and unwavering support as we honor the transformation survivors experience as they reclaim their lives and rewrite their futures.

This is more than a fundraiser—it's a tribute to growth. Come be part of the change, your presence and support make a difference. Together, we can ensure that lifesaving resources remain accessible to the communities that need them most. Reserve your ticket and help us fulfill our mission: increasing advocacy for those often silenced.

This year's theme, Our Heroes' Journey, celebrates the extraordinary in the everyday and invites you to play a pivotal role in shaping the future, yours and others.

The hero's journey is a universal narrative that reflects the transformative path of growth, challenge, and discovery. For our TEDx speakers, it's a way to share personal, professional, or societal stories that resonate deeply with others.

The Hero's Journey is not just a framework; it is an invitation—a call for each of us to recognize the hero within, embrace the unknown, and discover the boundless possibilities that await on the other side of growth.

Let's explore together. We invite you to be a part of this story with us.

Hip Hop is about movement, resilience, and community. From the beats of the DJ to the words of the MC, from the power of dance to the colors of graffiti—these elements remind us that no matter what: we rise, we create, and we keep going. This is our 4th year to pass on knowledge and foundation to youth and community.
